Background

- An online survey was available to Dr. Freda Miller School parents February 26 to March 16, 2022. There was an additional survey with conducted during the February School Council Meeting on February 28th, 2022
- The online survey had a total of 42 people completing some or all of the survey. The virtual meeting survey had 8 people completing all of the survey.
- The purpose of the survey was to gather feedback from parents about on school planning, which includes the school development plan, school budget, and school fees. When students, staff and parents work closely together, students experience greater success.
- This report includes survey results and comments where provided.

School Budget and Fees

Schools must operate within their budget and too many fees can be unmanageable for families. Knowing that, please rank the following activities and services in order of importance to you.

Please share any other thoughts you may have about our school budget and fees.

I am completely agree if there are thoughts on having school fee to help additional curriculum activities.
Mar 13, 2022

I disagree with the second sentence only because I wish I could answer "I don't know/ I am not sure".
You should consider this option on the next survey.
Mar 10, 2022

School fees are going to be a burden on family budgets given the worsening economical situation going forward
