

## Have you Subscribed and Opted-In for School Messages?

Parents and guardians: If you want to receive all messages from our school, you need to subscribe and opt-in. It will only take a minute and ensures you do not miss out on important information.

Due to federal legislation (Canada's Anti-Spam Legislation, or CASL), parents need to subscribe online if you want to receive electronic messages on "commercial" school topics such as school fees, field trip costs, book sales, picture days and more. If you do not subscribe, you will not receive these types of messages, but you will still receive emails on non-commercial topics such as parent-teacher conferences and student absences.

**To subscribe, go to [www.cbe.ab.ca/subscribe](http://www.cbe.ab.ca/subscribe)** and subscribe using your primary email address on file at school. It should be the same email address where you receive school messages and that you use to log into your My CBE Account, if applicable.

In addition, if you want to receive text messages from our school or the Calgary Board of Education, you also need to opt-in for texts. If you do not opt in, you will not receive any text messages, including non-commercial messages. Currently, our school does not often send texts, but we may do so in future or as an additional communication method if there is an emergency. Currently, our school sends occasional messages through text, plus we may use it as an additional communication method if there is an emergency.

**To opt in for text messages, use your cell phone to text the word YES to the six-digit number 724665.**
