Welcome

For over forty years, Camp Chief Hector YMCA has been offering overnight outdoor education experiences that provide unique opportunities for enhancing curriculum objectives, building communication and cooperative group skills, and providing a shared experience for students of different backgrounds. All of our programs are centered on the four core values of the YMCA: Caring, Honesty, Responsibility, and Respect.

I have worked with many school groups over the years, and I am aware of the challenges involved in planning an Outdoor Education experience. However, I am also reminded daily of the long-term benefits that result from getting kids back into nature. Please let me help you with your paperwork, scheduling, and other logistical hurdles. I look forward to working with you and your students.

Cheers,

Christopher Schmid

LOGISTICS

Location

Camp Chief Hector YMCA is located approximately one hour west of Calgary, in Bow Valley Provincial Park. Our programs emphasize community and values-based education, outdoor challenge, fun, individual growth, environmental stewardship, leadership development and service excellence. Operating year-round, Camp Chief Hector YMCA is a unique camping and outdoor education branch that focuses on youth but offers programs for everyone through Summer Camps, Outdoor Education, weekend programs for adults and families, and meeting and event facilities

Accommodations & Meals

Camp Chief Hector YMCA has indoor accommodations for students attending Eco School and Sunship Earth. Our indoor accommodations have washrooms and showers, and counsellors provide overnight supervision. Students attending Hector Spring School or Outdoor Experiential School live in tipis nestled in the forest close to Hector Lodge. Fires provide light and warmth in the tipis for a cozy atmosphere. Tipis are comfortable even in rain or snow, although there is the chance of being a bit damp. Shower facilities are provided for all clients (though students will likely only shower once during their stay), and there are outhouses and indoor washrooms located in various locations around our site. Students eat meals (served family-style) in one of our lodges. Camp provides three meals per day as well as a nutritious snack in the evening during campfire. Students with birthdays during the program celebrate with a treat from the kitchen!

Fees

Outdoor School fees are subject to GST. Families pay the school and the school pays Camp. Fees include counsellors, meals, accommodations, activities and busing (if you are within the Calgary city limits). Due to food and staffing costs, we cannot offer refunds or reduced fees for students who must arrive late or leave early for any reason.

Financial Assistance

Financial Assistance is available to those who apply through YMCA Calgary's Let Raise Campaign. An application can be obtained from your teacher coordinator or from Camp Chief Hector YMCA. Proof of financial need is required.

Some families may also wish to contribute funds to families in need. Visit ymcocalgary.org to donate.

Transportation

First Student buses will depart from the school at 9:15 am. Please ensure that your student is on time and that they have been checked in with their teacher.

Buses will return your student to their school at 1:45 pm. Please plan to pick up your child at this time as they will be excited to see you and tell you about their visit.

HEALTH & SAFETY

Student Care

The first priority of our staff is ensuring the physical and emotional safety of our young clients. Student care is a collaborative effort between YMCA staff, teachers, parents/guardians, and the students themselves. Like at school, teachers act in loco parentis (in the place of a parent) and are ultimately responsible for their students while they are attending Outdoor School. YMCA staff, who have a duty to care for clients at Outdoor School, will consult with your child's teacher about any concerns. Similarly, you should keep the YMCA informed of any changing circumstances in regards to your child.

YMCA Staff Requirements

All YMCA staff are required to have current Standard First Aid and CPR certification. We provide 4 – 6 days of staff training at the beginning of every Outdoor School season and we continue to work on staff and program development throughout the season. In order to be employed by YMCA Calgary, all staff also need a clean and current criminal record check including a vulnerable sector search.

First Aid

YMCA staff are trained in emergency procedures and will act in the case of a first-aid situation or other incident. Teachers will be asked to coordinate non-emergency decisions such as transportation, and to handle communication to principals and parent/guardians. YMCA Coordinators, and Managers will draw on their experience to support teachers if the need arises. Our goal is for students to return to program whenever possible. We do not have a nurse or doctor employed on site. YMCA Staff members carry first aid kits, and we have an automatic external defibrillator, spinal board, thermometers, and ice packs on site.

Illness

We try our best to accommodate the physical needs of students who are feeling unwell or who have limited mobility. The best decisions and plans are made between parents, physicians, and teachers. In cases of student illness, it is most often best for students to recover at home.

Medication

Organising and dispensing medications is the responsibility of the teachers accompanying your child to Outdoor School. Students who carry inhalers or EpiPens should keep these on their person at all times. Due to school board regulations, we do not have any medications on-site available for student use. Medications that you are sending with your child must be in the original containers, inside a labelled ziplock bag. Hand these to the teacher-in-charge on the first day of Outdoor School.

Contact

If you need to reach your child during Outdoor School, please call the school or the teacher's cell phone first. You may contact the Outdoor Education coordinators or manager and your message will be passed along to the teacher-in-charge. If homesickness or religious beliefs are a concern, it can be arranged for students to call home before bed to check-in or say good-night. We encourage a proactive approach to parent communication

and ask teachers to call home during Outdoor School to let parents know about any incidents such as injuries, bullying, fights or animal encounters.

Supervision

Students are supervised by YMCA staff and teachers. If students need to move from one area to another, for example, from an activity area to the washroom, they travel in partners. At night, YMCA staff supervise our student dormitories. The remainder of the staff team and teachers are close-by and readily available in case of an overnight emergency. YMCA staff carry radios and/or cell phones to maintain contact with the Outdoor Education Coordinator and Manager as needed.

Activity Risks

In general, injuries at the Camp Chief Hector YMCA are similar to the types of injuries that occur in elementary school gym classes, during recess and playing outside. Because our activities take place outside, there is a risk of falls, joint injury, and scrapes as students move from area to area or as they run during wide-games. Every year we have a few students who visit the hospital in Canmore for a few stitches or to assess an injured arm or leg. Some areas, such as the low-ropes course, have potential for short falls, so students are trained as spotters to support their peers under staff supervision. Staff carry first aid kits at all times when they are working with a group of students.

Environmental Risks

The weather in the Bow Valley changes throughout the day. Students should dress in layers and be prepared for wind, snow, rain, and sunshine. Our outdoor activities continue in most weather conditions. We share our Bow Valley home with a number of wild creatures and there is the possibility that activity groups could encounter a bear, cougar, elk or coyote during their stay at Outdoor School. Students travel in groups when hiking and participating in activities and counsellors carry bear spray. We are very mindful of our waste management system and work closely with the local conservation officers to monitor animal activity on our site.

Parent Meeting

Parent and guardians need to be informed on the nature of extended field trips such as an Outdoor School experience. A teacher, principal or member of the Camp Chief Hector YMCA team will share a presentation that highlights how the needs of students will be met, how risk is managed, and what activities they will complete during their stay. The meeting should take approximately 30 minutes, with a question period following.

Lost And Found

We do our best to have students look at Lost and Found items before they depart and to send Lost and Found back to your school on the bus. If your child thinks they may have left something behind at Outdoor School, please have them take a look through your school's lost and found. Items that have not been claimed within two weeks are donated to a local shelter.

PACKING LIST (STUDENTS)

<p><u>Outdoor Gear</u></p> <ul style="list-style-type: none"><input type="checkbox"/> Raincoat/Rain pants<input type="checkbox"/> Winter Jacket/Snow pants<input type="checkbox"/> Warm Mittens<input type="checkbox"/> Running shoes/hiking shoes<input type="checkbox"/> Warm winter boots (lined)<input type="checkbox"/> Thermal long underwear bottoms and top<input type="checkbox"/> Warm layer (i.e. fleece)<input type="checkbox"/> Warm socks (i.e. wool)<input type="checkbox"/> Toque/beanie<input type="checkbox"/> Day pack and water bottle <p><u>Clothing</u></p> <ul style="list-style-type: none"><input type="checkbox"/> Pajamas<input type="checkbox"/> 2-3 Sweaters and Shirts<input type="checkbox"/> 2 Pants<input type="checkbox"/> 2-3 T-shirts<input type="checkbox"/> 4-6 Pairs of socks<input type="checkbox"/> 4-6 Underwear<input type="checkbox"/> Slippers or indoor shoes for the lodges and dorms	<p><u>Personal Articles</u></p> <ul style="list-style-type: none"><input type="checkbox"/> Towel(s)<input type="checkbox"/> Toothbrush & Toothpaste<input type="checkbox"/> Lip Balm<input type="checkbox"/> Sunscreen<input type="checkbox"/> Sunglasses<input type="checkbox"/> Soap/Shampoo<input type="checkbox"/> Deodorant<input type="checkbox"/> Comb or Hair Brush<input type="checkbox"/> Sleeping bag or sheets and a blanket<input type="checkbox"/> Pillow and pillow case<input type="checkbox"/> Blanket<input type="checkbox"/> Flashlight/Headlamp<input type="checkbox"/> Personal Medications <p><u>Fun Stuff (optional)</u></p> <ul style="list-style-type: none"><input type="checkbox"/> Musical instrument<input type="checkbox"/> Books/Journal<input type="checkbox"/> Camera (that is only a camera)
---	--
