Not able to fit in timetable

Upgrading mark

Need this course as a pre-requisite

Need the course for high school completion or post-secondary requirement

If you have this course in your timetable, and you request to withdraw from the course at William Aberhart High School to take it online, please understand that if not successful in the course, you **will not be able to take the course at William Aberhart due to class sizes.**

I am aware that some Post-Secondary institutions have different policies in regards to accepting online courses. I have researched the acceptance of online courses at my desired Post-Secondary institution. (For example, UBC will not accept an in-progress grade for an online course. The course must be completed by February 1st in order to be used to calculate your competitive admission average.)
