

Dear CBE Area V and VI Families:

Henry Wise Wood High School is your CBE Area V/VI designated IB school. The IB program is an academic program of choice offered to ALL students who are interested in registering who live in Area V and VI. If students are passionate about content in at least two school subjects in junior high, they can register in the IB program and be provided with the opportunity to delve into the school subjects of interest more deeply in Grade 10, 11 and 12. IB courses are available in all Core Subjects - English, Social Studies, Math, and Science as well as complementary areas of Philosophy, Art, Film Studies, French and Spanish.

Students designated to HWW by address are eligible to submit IB registration documents. Students not designated to HWW by address are eligible to apply to transfer to HWW for the IB Program providing:

1. Interested families live in Area V or VI.
2. Grade 9 students are passionate about becoming an IB student.
3. Students select two IB courses (minimum) in the IB program. This is a minimum two-year commitment for students applying from out of area.
4. Interested IB learners are currently successful in their Grade 9 courses in which they want to pursue IB – 3's and 4's.
5. Parents complete the:
 - a. IB registration paperwork before the March 15, 2022 deadline.
 - b. Online Transfer Form before the March 15, 2022 deadline and submit the required paperwork listed on the HWW website.

We would like to invite you to our online **IB Information Night** in order to find out the necessary information so your family can make an informed decision for Grade 10.

[Henry Wise Wood – IB Information Night](#)

Tuesday, November 2 @ 5:30pm – 7pm

Microsoft Teams meeting

We look forward to seeing you online on November 2! We will not be accepting any IB registration paperwork until February 1, 2022. Following the meeting on November 2, we will provide you with homework - access to our IB Video & IB Registration Booklet for your viewing and reading pleasure.

Sincerely,

Scott Garen – IB Coordinator sagaren@cbe.ab.ca
