

Outdoor School Student Packing List

Your child will be outside immediately upon their arrival at Outdoor School. Please ensure they have the appropriate items with them in their backpack on the bus as they will not be able to access their suitcases and duffels right away as luggage is being unloaded. It is ideal if your child is able to carry all their own gear. The accommodations are a short hike from the parking lot where the students are dropped off. It is recommended to pack your child's item in 1-2 suitcases, hiking backpacks, duffel bags or a hockey bag. **Please do not pack items in garbage bags.**
