

Financial Assistance | Application

As with all YMCA Calgary programs and services, financial assistance is available to those who need it through YMCA Calgary's Let's Raise Fund. The following form should be filled out by the parents/guardians of each participant requiring financial support for their program. Assessment of need is to be completed by the group leader/coordinator for each participant and is to remain confidential.

Please note:

- We ask that all families contribute what they can to their child's experience, no matter what the amount.
- It is acceptable for the organization's budget, parent council or a fundraising initiative to contribute additional funds on behalf of a participant.
- Fees are subject to 5% GST which will be added to the group's final invoice.
