of Education

Background

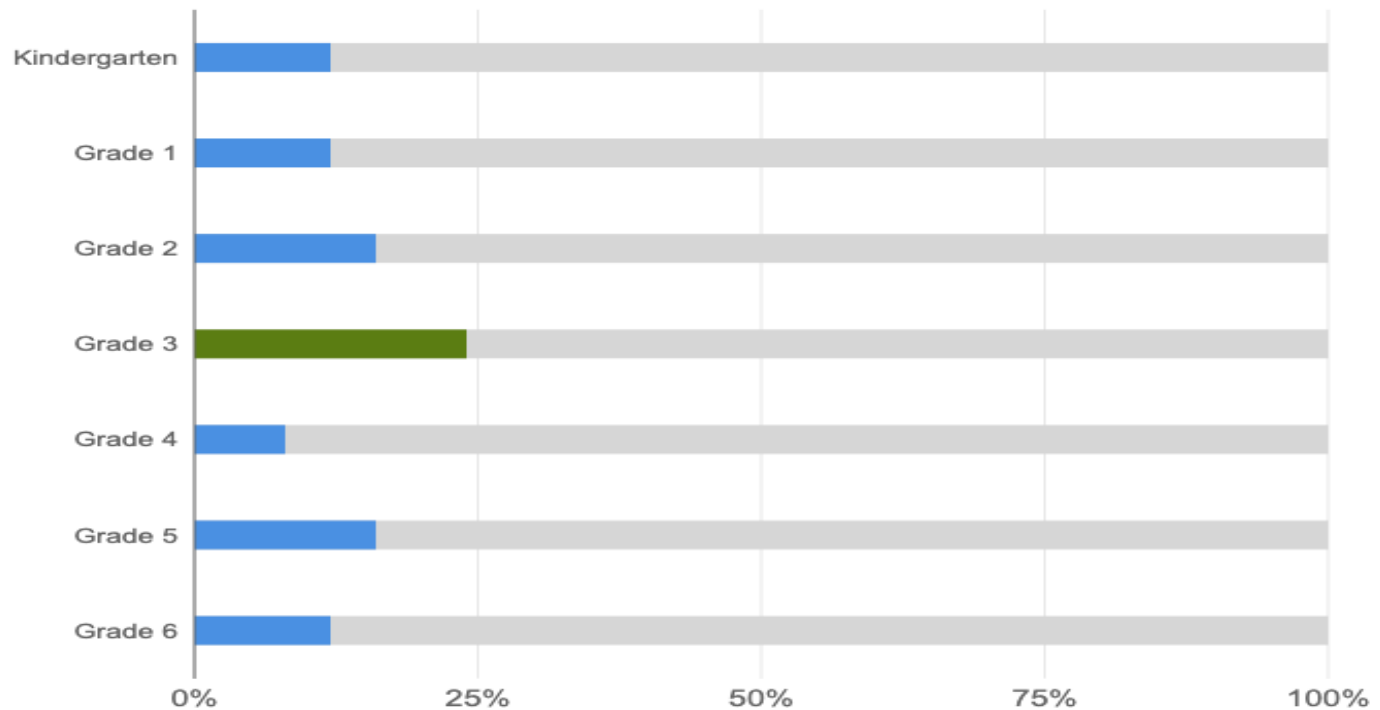

- An online survey was available to Vista Heights parents May 16, 2020.
- The survey had a total of 21 people completing some or all of the survey.
- The purpose of the survey was to gather feedback from parents about your perspectives on our school budget and school fees.

About the Participants

Participant Profile

Responses: 21

Grade Level of Students

Results

As the school plans for next year, and considering the budget information above, what activities or programs are most important to you.

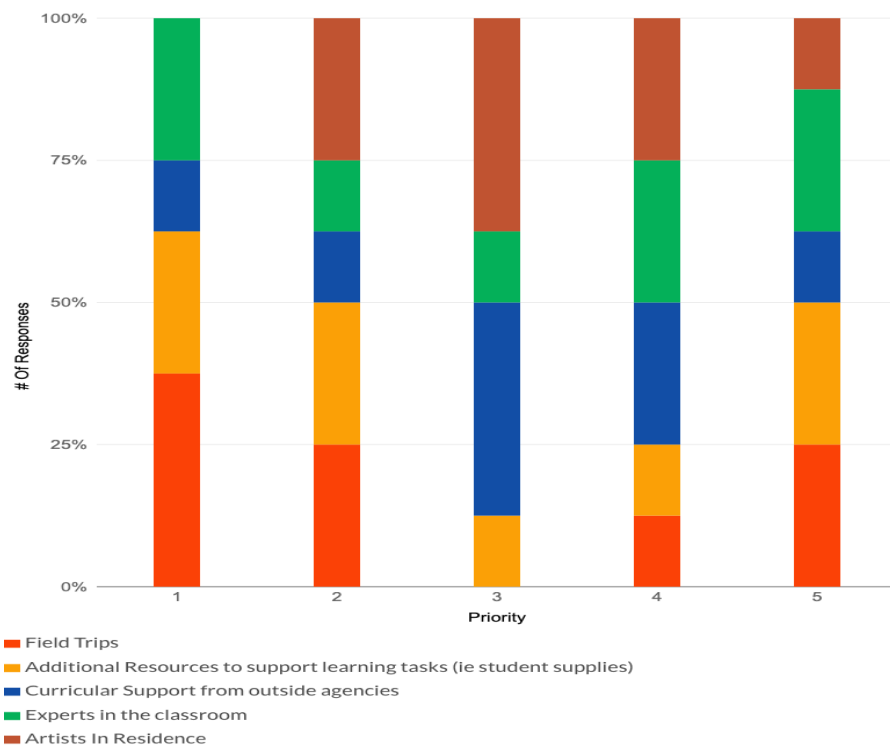

Responses: 18

- All existing program that the school has right now
- Support and Aides for the classroom so that students have support when they need it
- Strongly support the L&L program
- Daily Free Breakfast Program
- Full Day Kindergarten Program
- Hot Soup Program

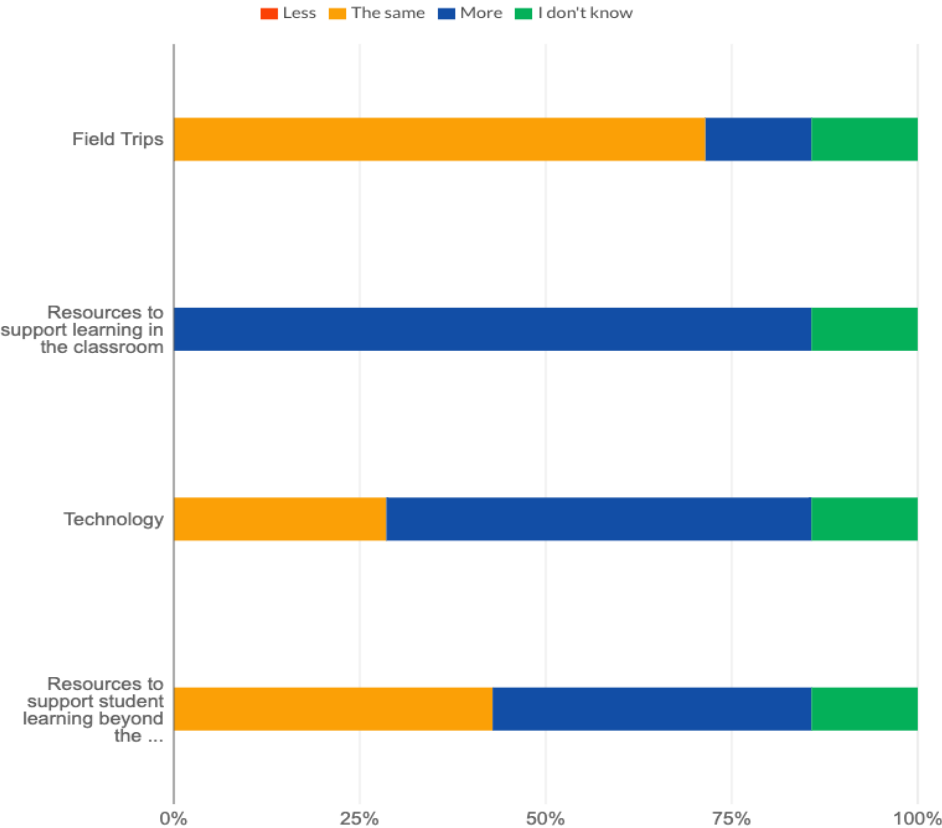

Understanding a school must operate within its budget allocation and that too many fees may be unmanageable for families, please rank the following school-based activities and services in order of importance to you and your child(ren).

Responses: 21

When thinking about how fundraising dollars have been shared to support various school activities, please share whether the following should receive more, approximately the same or less proportion of fundraising dollars in the 2021-22 school year.

Responses: 21

Conclusion

Thank You!

- Thank you to everyone who participated in this survey. Your contributions made a meaningful difference in our decision-making process.
